### **Additional information on our sites**

*Visit our Sites:* In general, you can tell our sites without telling us who you are or you visit some information. However, we do collect the IP (Internet Protocol) addresses of all visitors to our sites and other related information such as page requests, browser type, operating system and average time spent on our sites. We use this information to monitor and improve our sites.

### **Cookies**

Our sites use a technology called "cookies." A cookie is a small part of the data that our sites store on your browser, which may then be stored on your hard drive so we can recognize you when you return again. All pages on our Sites where you are prompted to log in or that are customizable require that you accept cookies. If you have registered with our Sites, these cookies (1) may let us know who you are, (2) are required to access your account information (stored on our computers) in order to deliver products and personalized services, and (3) will provide us and our service providers with information that we will use to personalize our sites in accordance with your preferences. Cookies are also required to optimize your shopping experience that they allow you to add multiple items to your shopping cart before checking out. You can use your Web browser to alert you when you receive a cookie. However, should you decide not to accept cookies from our sites, you get the functionality we can provide when you restrict our sites.

### **Tracer Tags**

Our sites may also use a technology called "tracer tags". These can also be referred to as "Clear POISON" or "web beacons". This technology allows us to understand which pages you visit on our sites. These tracer tags are used to help us optimize and tailor our sites for you and other future website visitors.

*Third Party Links:* Our Sites may contain links to the websites of our business partners, vendors and advertisers. Except as provided herein, we will not provide your personal information to provide these third parties without your prior consent.

*Dr. Green Love contains links to third party websites for the convenience of the user. The inclusion of any link does not represent any other company, its websites, or its products and / or services Dr. Greenlove not say. These linked sites have separate and independent privacy policies, which we recommend you read carefully. We have no control over such sites and therefore have no responsibility or liability for the manner in which the organizations that operate such linked websites may collect, use or disclose and otherwise treat your personal information.*

### ***Security of Personal Information***

*We will the confidentiality of any personal information in our stores, our locations and retain collected from our Service Providers and will only receive the information to employees and service providers who require such information for the purposes described in this Privacy and Security Statement reveal. We maintain administrative, technical and physical safeguards to protect against unauthorized access, use, modification and disclosure of personal information in our custody and control.*

### ***Security on our sites***

*Secure shopping: When you place an order on our sites, all of your order information, including your card number and delivery address, through the Internet using Secure Sockets Layer (SSL) technology is transferred. SSL technology causes your browser to encrypt your order information for transmission to our secure server. SSL technology, an industry standard, is designed to prevent other than operators of our Sites from capturing and viewing your personal information to anyone.*

### ***Dr. Greenlove also take the following measures to protect your personal information***
